

# Kindness Counts!

**One Caring Adult™**  
*Creating Climates that Invite  
Youth to Thrive!*

## Kindness Counts Assembly

### **Be Kind**

*Kindness  
Empathy*

### **Be Smart**

*Decision Making  
Tough Choices*

### **Be a Friend**

*Friendship Skills  
Bystander to Upstander*

Created specifically for elementary school students, our **Kindness Counts** Assembly Program combines teacher-delivered lessons designed to enhance empathy, friendship and decision-making skills with an interactive live musical performance. Kindness Counts gives you the support you need to move children from being bystanders to being upstanders - supportive peers who stand up to mean-spirited behavior. Working in partnership with The Uncle Brothers, an award-winning children's musical duo, **One Caring Adult™** will provide you with teacher & student materials, song lyrics, musical CDs and then deliver a fun & interactive performance that celebrates kindness.

***Be Kind, Be smart, Be a Friend!***
